PARTICIPANT AGREEMENT, RELEASE, AND ASSUMPTION OF RISK

In consideration of the services of River's End Rafting & Adventure Co., its owners, officers, volunteers, participants, employees, and all other persons or entities acting in any capacity on its behalf (hereinafter collectively referred to as "RER"), I hereby agree to release, indemnify, and discharge RER, on behalf of myself, my children, my parents, my heirs, assigns, personal representative and estate as follows:

1. I acknowledge that my participation in a guided whitewater river trip entails known and unanticipated risks that could result in physical or emotional injury, paralysis, death, or damage to myself, to property, or to third parties. I understand that such risks simply cannot be eliminated without jeopardizing the essential qualities of the activity.

The risks include, among other things: whitewater rapids, rocks, tree limbs, branches, and debris. I can be jolted, jarred, bounced, hit with paddles, thrown to and fro and shaken about during rides through rapids, resulting in injury or loss of personal property. I may be injured if I come in contact with food boxes, other storage containers, or other fixed equipment necessary to the operation of the expedition and the outfitting of the raft. Rafts could turn over or I could be "washed" overboard. I can slip or fall during a hike, resulting in damage to equipment or personal injury. Accidents can occur getting on and off the raft. Rafts are slippery when wet. Exposure to the natural elements can be uncomfortable and/or harmful. I am aware that this exposure could cause sunburn, dehydration, heat exhaustion, heat stroke, and heat cramps. Also, prolonged exposure to cold water can result in hypothermia and in extreme cases death and accidental drowning is also a possibility. Furthermore, RER employees have difficult jobs to perform. They strive to maintain safety, but they are not infallible. They might be unaware of participant's fitness or abilities. They might misjudge the weather, the elements, or the terrain. They may give inadequate warnings or instruction, and the equipment being used might malfunction.

2. I expressly agree and promise to accept and assume all of the risks existing in this activity. My participation in the activity is purely voluntary, and I elect to participate in spite of the risks. My photo may be taken and used for future marketing purposes.

3. I hereby voluntarily release, forever discharge, and agree to indemnify and hold harmless RER from any and all claims, demands, or causes of action, which are in any way connected with my participation in this activity or my use of RER's equipment or facilities, including any such claims which allege negligent acts or omissions of RER.

4. Should RER, or anyone acting on its behalf, incur attorney's fees or costs to enforce this agreement, I agree to indemnify and hold RER harmless for all such fees and costs.

5. I certify that I have adequate insurance to cover any injury or damage I may cause or suffer while participating, or else I agree to bear the costs of such injury or damage myself. I further certify that I am willing to assume the risk of any medical or physical condition I may have.

6. In the event that I file a lawsuit against RER, I agree to do so solely in the State of California, venued in Kern County, and I further agree that the substantive law of the State shall apply in that action without regard to the conflict of law rules of any State. I agree that if any portion of this Agreement is found to be void or unenforceable, the remaining portions shall remain in full force and effect.

By signing this document, I acknowledge that if anyone is hurt or any property is damaged during my participation in this activity, I may be found by a court of law to have waived my right to maintain a lawsuit against RER on the basis of any claim from which I have released it herein.

I have had sufficient opportunity to read this entire document and consult with legal counsel of my choosing. I have read and understood it, and I agree to be bound by the terms herein.
